- Since HHCS is a registered charity, a portion of our tuition fee is considered to be a donation after the cost of education per child is deducted. So you may be eligible for a tax receipt.
- A family enrolling children and paying tuition to an associated Christian high school also qualified to receive a 10% discount off the regular HHCS tuition fee.
- A family enrolling children in JK and paying regular HHCS tuition fee at the same time, is also qualified to receive over 50% discount off JK tuition fee.
- families wishing to reduce tuition even more are encouraged to participate in our gift card program which helps to reduce costs for the next year of school.
